

Choose the Atlas Self-Haul Advantage

By choosing Atlas you automatically get the self-haul advantage...

No other van line offers this service benefit.

At Atlas, we're dedicated to making your relocation easy and worry-free which is why we are the only carrier to offer you the unrestricted self-haul advantage.

Atlas allows one agent to manage all phases of your relocation, from packing and loading at origin to unloading and unpacking at destination. One Atlas Agent manages the entire process regardless of your shipment's weight, the distance it travels, its origin or destination. This means you get continuity and ease of communication with a single, reliable point of contact throughout your entire relocation.

Offering service enhancement for your company.

The Atlas unrestricted right of self-pack and self-haul allows one Atlas Agent to orchestrate a smooth process that follows your relocation policy to the letter.

During the entire relocation, you communicate with one agent who works diligently to meet your every need. With fewer people involved, the process is streamlined. Simply put, your Atlas Agent is responsible for managing your relocation from beginning to end.

Bringing you added assurance of quality.

Atlas' self-haul policy means exceptional service for you and your relocating employees. Your Atlas Agent takes full responsibility for your satisfaction. This built-in

accountability helps ensure you get the quality you expect. Atlas is the only carrier in the industry to give its agents this much latitude in overseeing all aspects of your service needs. For an added assurance of quality, choose the Atlas self-haul advantage.

The Atlas self-haul advantage means your Atlas Agent takes total responsibility for your satisfaction. From start to finish, your Atlas Agent makes sure you get superior service for a worry-free relocation.
